AUDITOR'S REPORT

Municipal Elections Act, 1996
(Sections 78, 82.1)

To: _____, registrant

I/we have audited the statement of assets and liabilities and income and expenses of _____, registrant, for the campaign period from _____ to _____ relating to the election held on _____. My/our audit was made in accordance with generally accepted auditing standards and accordingly included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I/we considered necessary in the circumstances except as explained in the following paragraph.

Due to the nature of the types of transactions inherent in a Question Campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, and receipts and disbursements. Accordingly, my/our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of _____. _____, registrant, in accordance with the accounting procedures established by the *Municipal Elections Act, 1996* and I was/we were not able to determine whether any adjustments might be necessary to receipts and disbursements.

In my/our opinion, except for the effect of adjustments, if any, which I/we might have determined to be necessary had I/we been able to satisfy myself/ourselves as to the completeness of the records as described in the preceding paragraph, these statements present fairly the information contained in the accounting records on which the statements are based in accordance with the accounting treatment prescribed by the Act.

The Act does not require me/us to report, nor was it practicable for me/us to determine that contributions reported included only those which may be properly retained in accordance with the provisions of the Act.

RAPPORT DU VÉRIFICATEUR

Loi de 1996 sur les élections municipales
(Articles 78, 82.1)

Destinataire :, personne inscrite

Nous avons vérifié les états de l'actif et du passif et des recettes et des dépenses de, personne inscrite, pour la période de campagne allant du au et relative aux élections municipales tenues le Notre vérification a été effectuée conformément aux normes de vérification généralement reconnues et a comporté, par conséquent, un examen général des méthodes comptables ainsi que les sondages des livres comptables et d'autres pièces justificatives que nous avons jugé nécessaires dans les circonstances, sous réserve des précisions présentées dans le paragraphe suivant.

En raison de la nature des opérations menées durant une campagne portant sur une question, les méthodes de vérification ne peuvent vraiment établir si les livres comptables comprennent bien tous les dons de biens et de services et toutes les entrées et sorties de fonds survenus durant la période de campagne. Notre vérification de ces opérations s'est donc limitée à vérifier si les états financiers indiquent fidèlement les sommes inscrites dans les livres comptables de, personne inscrite, conformément aux méthodes comptables établies par la *Loi de 1996 sur les élections municipales*. Nous n'avons pu établir s'il était nécessaire de redresser les entrées et les sorties de fonds.

À notre avis, sous réserve de l'effet des redressements susmentionnés, le cas échéant, que nous aurions trouvé nécessaire d'apporter si nous avions pu nous assurer de l'exhaustivité des livres, telle que nous la définissons au paragraphe précédent, ces états présentent fidèlement l'information contenue dans les livres comptables sur lesquels ils se fondent, conformément à l'application des traitements comptables prévus dans la *Loi de 1996 sur les élections municipales*.

La Loi ne nous oblige pas à souligner que les contributions déclarées ne comportaient que celles qui peuvent être conservées conformément aux dispositions de la Loi, ce qui nous était d'ailleurs impossible à déterminer.

Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Copies of the *Lexicon* may be purchased for \$30.47 (\$26.50 plus \$1.85 (7%) GST, plus \$2.12 (8%) PST) in person or by telephone, fax, or mail order through **Publications Ontario** at the address and at the following numbers:

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de Publications Ontario à l'adresse et aux numéros suivants :

(4) Subsections (1), (2) and (3) apply despite any provision in an approval granted before August 1, 2000.

(5) If a water treatment or distribution system commenced operation before August 1, 2000 and, immediately before August 1, 2000, was not in compliance with subsection (1), (2) or (3), the owner,

- (a) Schedule 2 (Sampling and Analysis Requirements); and
- (b) any additional requirements of an approval or an order or direction under the Act.

(2) Subsection (1) prevails over an approval granted before August 1, 2000 that provides for less stringent sampling or analysis.

(6) If analysis of a water sample for a parameter is required by an approval, order or direction referred to in clause (1) (b), the parameter is not mentioned in Table A of Schedule 2, Schedule 4 or Schedule 5, and the parameter is identified in the approval, order or direction as a health-related parameter, the owner of the water treatment or distribution system shall ensure that the laboratory that carries out the analysis is informed, when the sample is sent to the laboratory, of the maximum concentration set out for the parameter in the approval, order or direction.

(7) If subsection (3) applies to the analysis of a water sample for a parameter, the owner of the water treatment or distribution system shall ensure that an accredited laboratory to which the sample is given for analysis does not subcontract the analysis unless,

(a) the owner consents; and

(b) the person who carries out the analysis is an accredited laboratory for the parameter.

(c) the laboratory agrees to comply with the notification requirements of,

(i) section 8, and

(ii) subsection (10) of this section.

(9) Despite subsection (5), the notice required by that subsection may be given at any time before the analysis is carried out or within 24 hours after the analysis is carried out, if the analysis is carried out before September 5, 2000.

(10) Every laboratory that carries out an analysis of a water sample under subsection (3) shall submit a report on the results of the analysis to the Director at the same time as the report is sent to the owner.

"Distribution samples" or samples required to be taken "in the distribution system" shall be taken in the distribution system from a point significantly beyond the point at which treated water enters the distribution system.

All sampling shall be done by taking grab samples unless "continuous monitoring" is specified. Continuous monitoring implies that sampling and analysis is done by continuous monitoring equipment that forms part of the water treatment or distribution system.

Sampling and analysis is required for all parameters indicated in the first column, unless an entry in one of the other columns indicates otherwise.

$$\frac{c_1}{C_1} + \frac{c_2}{C_2} + \dots + \frac{c_i}{C_i} \leq 1$$

where c_1 , c_2 , and c_i are the observed concentrations, and C_1 , C_2 and C_i are maximum acceptable concentrations (MAC) for each contributing radionuclide.

Schedule 6**INDICATORS OF ADVERSE WATER QUALITY**

Each of the following is an indicator of adverse water quality:

1. *Escherichia coli* (*E. coli*) or fecal coliform is detected in any required sample other than a raw water sample. (Corrective action: Increase the chlorine dose and flush the mains to ensure that a total chlorine residual of at least 1.0 mg/L or a free chlorine residual of 0.2 mg/L is achieved at all points in the affected part(s) of the distribution system. Resample and analyze. Corrective action should begin immediately and continue until *E. coli* and fecal coliforms are no longer detected in two consecutive sets of samples or as instructed by the local Medical Officer of Health.)
2. Total coliforms detected (but not *Escherichia coli* or other fecal coliforms) in any required sample other than a raw water sample. (Corrective action: Resample at the same site and analyze. If confirmed to be positive, increase the chlorine dose and flush the mains to ensure a total chlorine residual of at least 1.0 mg/L or a free chlorine residual of 0.2 mg/L to all points in the affected part(s) of the distribution system. Corrective action outlined should begin immediately and continue until total coliforms are no longer detected in two consecutive sets of samples or as instructed by the local Medical Officer of Health.)

35/00

3. Unchlorinated water is directed to the distribution system, where chlorination is used or required. This includes water in the distribution system which has less than 0.05 mg/L of free chlorine residual when tested. (Corrective action: Restore chlorination immediately and follow instructions as directed by the local Medical Officer of Health.)
4. Samples, other than raw water samples, containing more than 500 colonies per mL on a heterotrophic plate count analysis. (Corrective action: Resample and analyze. On confirmation, call the local Medical Officer of Health again and consult.)
5. Samples, other than raw water samples, containing more than 200 background colonies on a total coliform membrane filter analysis. (Corrective action: Resample and analyze. On confirmation, call the local Medical Officer of Health again and consult.)
6. *Aeromonas* spp., *Pseudomonas aeruginosa*, *Staphylococcus aureus*, *Clostridium* spp. or fecal streptococci (Group D streptococci) are detected in samples, other than raw water samples. (Corrective action: Resample and analyze. On confirmation, call the local Medical Officer of Health again and consult.)
7. Sodium concentration exceeds 20 mg/L. Notification need not occur more frequently than once in five years. (Corrective action: Resample and analyze. On confirmation, call the local Medical Officer of Health again. The aesthetic objective for sodium in drinking water is 200 mg/L. The local Medical Officer of Health must be notified when the sodium concentration exceeds 20 mg/L so that this information may be communicated to local physicians for their use with patients on sodium restricted diets.)
8. A pesticide not listed in Table D of Schedule 2 is detected. (Corrective action: Resample, take a corresponding raw water sample and analyze. On confirmation, call the local Medical Officer of Health again and consult. Drinking water should be free of pesticides and every effort should be made to prevent pesticides from entering raw water sources. Pesticides may be reported by their most common trade name, a listing of which, called the Compendium of Scheduled Pesticides is accessible on the Internet through the web site of the Ministry of the Environment at www.ene.gov.on.ca.)

Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Copies of the *Lexicon* may be purchased for \$30.47 (\$26.50 plus \$1.85 (7%) GST, plus \$2.12 (8%) PST) in person or by telephone, fax, or mail order through **Publications Ontario** at the address and at the following numbers:

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de **Publications Ontario** à l'adresse et aux numéros suivants :

(3) Les accords prévus au présent article peuvent être différents pour les différentes catégories d'employés établies en vertu de l'alinéa (2) b) et pour différents employés, y compris pour différents employés d'une même catégorie.

(4) Avant d'exercer le pouvoir que lui confère l'alinéa (2) a), le conseil de transition fait ce qui suit à l'égard d'un employé admissible qui n'appartient à aucune des catégories établies en vertu de l'alinéa (2) b) :

- a) il détermine si l'employé est un employé avec lequel il ne désire pas conclure d'accord en vertu du présent article;
- b) il détermine si l'employé est un employé avec lequel il désire conclure un accord en vertu du présent article, mais dont il ne désire pas qu'il soit mis fin à son emploi avant le 1^{er} janvier 2001;
- c) à l'égard de chaque employé non visé à l'alinéa a) :

- (i) d'une part, il calcule le montant total du salaire et des avantages de l'employé qu'il économiserait sur une base annuelle s'il concluait l'accord,
- (ii) d'autre part, il calcule la somme totale qui serait dépensée pour mettre en oeuvre l'accord conclu avec l'employé.

(5) Avant d'exercer le pouvoir que lui confère l'alinéa (2) a), le conseil de transition fait ce qui suit à l'égard des employés admissibles qui appartiennent à une des catégories établies en vertu de l'alinéa (2) b) :

- a) il détermine ceux des employés de la catégorie avec lesquels il ne désire pas conclure d'accord en vertu du présent article;

(ii) d'autre part, il calcule la somme totale qui serait dépensée pour mettre en oeuvre les accords conclus avec des employés admissibles de la catégorie afin de réaliser les économies calculées en application du sous-alinéa (i).

(6) Le conseil de transition ne doit pas conclure d'accord en vertu du présent article si, selon le cas :

- a) l'employé admissible est une personne visée à l'alinéa (4) a) ou (5) a);
- b) l'employé admissible est une personne visée à l'alinéa (4) b) ou (5) b) et l'accord mettrait fin à son emploi avant le 1^{er} janvier 2001;

(7) Le conseil de transition impute les sommes dont il a besoin avant le 1^{er} janvier 2001 pour mettre en oeuvre les accords conclus en vertu du présent article à la municipalité régionale de Hamilton-Wentworth, qui les lui verse selon les montants et aux moments qu'il précise, même si elles n'ont pas été incluses dans les prévisions budgétaires du conseil de transition ou dans le budget de fonctionnement de la municipalité régionale suivant l'article 27 de la Loi et malgré tout règlement pris en application de l'article 26 de la Loi et toute directive du conseil de transition.

(8) Le conseil de transition impute les sommes dont il a besoin le 1^{er} janvier 2001 ou par la suite pour mettre en oeuvre les accords conclus en vertu du présent article à la cité, qui les lui verse selon les montants et aux moments qu'il précise.

2. (1) Au plus tard le 31 décembre 2000, le conseil de transition peut, au nom de la cité ou de ses conseils locaux, exercer les pouvoirs que toute loi confère à une cité ou à ses conseils locaux de fournir une assurance, y compris des contrats réciproques d'indemnisation, pour la cité et ses conseils locaux et pour leurs employés et employés à la retraite ainsi que pour les membres du conseil de la cité et de ses conseils locaux.

(5) Tout accord conclu en vertu du paragraphe (4) prend effet le 1^{er} janvier 2001 ou par la suite.

(6) Le présent article n'a pas pour effet d'autoriser la conclusion d'un accord qui réduit ou élimine la couverture d'assurance exigée par une convention collective.

3. Au plus tard le 31 décembre 2000, le conseil de transition peut, au nom de la cité, exercer les pouvoirs que toute loi confère à une cité ou que l'alinéa 80 (1) a) de la *Loi sur les municipalités* confère au trésorier d'une cité de fournir des services bancaires et autres services financiers à la cité.

4. Au plus tard le 31 décembre 2000, le conseil de transition peut, au nom de la cité, exercer le pouvoir que le paragraphe 86 (1) de la *Loi sur les municipalités* confère à une cité de nommer un ou plusieurs vérificateurs pour la cité à compter du 1^{er} janvier 2001, et peut conclure les accords qu'il estime souhaitables pour la prestation de services de vérification à la cité par le ou les vérificateurs.

5. (1) Le conseil de transition peut conclure des accords pour modifier ou résilier des accords visant la prestation de services de vérification ou de services bancaires et autres services financiers aux anciennes municipalités.

6. (1) Au plus tard le 31 décembre 2000, le conseil de transition peut, au nom de la cité, adopter un règlement ou une résolution qui prévoit l'adoption de politiques régissant l'achat de biens et de services par la cité ou encore la modification ou l'abrogation des règlements ou des résolutions des anciennes municipalités qui prévoient l'adoption de politiques régissant l'achat de biens et de services par les anciennes municipalités.

(2) Tout règlement ou toute résolution adopté en vertu du paragraphe (1) entre en vigueur le 1^{er} janvier 2001.

7. (1) Les accords conclus par le conseil de transition en vertu des articles 1 à 6 lient la cité à compter du 1^{er} janvier 2001.

(2) Les règlements ou les résolutions adoptés par le conseil de transition en vertu des articles 1 à 6 sont réputés des règlements ou des résolutions de la cité le 1^{er} janvier 2001.

8. Les anciennes municipalités et leurs conseils locaux peuvent exercer les pouvoirs ou fonctions d'un genre visé aux articles 1 à 6 uniquement avec l'approbation du conseil de transition ou conformément à ses directives.

9. (1) Le conseil de transition établit les éléments clés de la structure organisationnelle du Conseil des bibliothèques publiques de Hamilton et engage les cadres qu'il estime nécessaires à la bonne gestion de celui-ci.

(2) Pour l'application du paragraphe (1), «cadres» s'entend en outre des employés qui occupent un poste de direction ou de supervision, pourvu que leur poste ne soit pas assujéti à une convention collective.

5. Si le contrat prend effet le 1^{er} janvier 2001, la personne est un employé du conseil de bibliothèques.

6. Pendant qu'elle est un employé du conseil de transition, la personne est réputée un employé au sens de la *Loi sur le régime de retraite des employés municipaux de l'Ontario*, et le conseil de transition est réputé, à l'égard de cette personne, un employeur au sens de cette loi.

7. Le 1^{er} janvier 2001, le conseil de bibliothèques est réputé avoir pris toutes les mesures qui peuvent être exigées pour faire de la personne le titulaire réel de son poste.

10. Au paragraphe 20 (1) de la Loi, «cadres» s'entend en outre des employés qui occupent un poste de direction ou de supervision, pourvu que leur poste ne soit pas assujéti à une convention collective.

(b) establish one or more classes of eligible employees for the purpose of clause (a).

(3) Agreements under this section may be different for different classes of employees established under clause (2) (b) and may be different for different employees including for different employees in the same class.

(4) Before exercising its power under clause (2) (a), the transition board shall, with respect to an eligible employee who is not in a class established under clause (2) (b),

- (b) establish one or more classes of eligible employees for the purpose of clause (a).

(3) Agreements under this section may be different for different classes of employees established under clause (2) (b) and may be different for different employees including for different employees in the same class.

(4) Before exercising its power under clause (2) (a), the transition board shall, with respect to an eligible employee who is not in a class established under clause (2) (b),

- (a) identify whether the employee is an employee with whom the board is not willing to enter into an agreement under this section;

- (b) the eligible employee is a person identified under clause (4) (b) or (5) (b) and the agreement would terminate the employee's employment before January 1, 2001; or

- (c) it would result in the total amount of expenses determined under subclause (4) (c) (ii) or (5) (c) (ii) being exceeded.

(7) The amounts required, before January 1, 2001, by the transition board to implement the agreements under this section shall be charged by the transition board to The Regional Municipality of Ottawa-Carleton and shall be paid by the regional municipality to the transition board in the amounts and at the times specified by the transition board despite the fact that the amounts have not been included in the estimates of the transition board or the operating budget of the regional municipality under section 28 of the Act and despite any regulation made under section 27 of the Act and any guideline of the transition board.

(10) Despite subsection (9), the maximum amount that shall be paid in respect of an employee under that subsection shall not exceed the amount agreed upon under clause (2) (a).

(11) Nothing in this section interferes with the right of an employee to terminate employment and to initiate proceedings for that purpose and, despite this section, the board may enter into agreements to facilitate the termination.

2. (1) On or before December 31, 2000, the transition board, on behalf of the city and local boards of the city, may exercise the same powers as a city and a local board of a city may exercise under any Act for providing insurance, including reciprocal contracts of indemnity, for the city and its local boards and for their employees and retired employees and for the members of council of the city and of local boards of the city.

(2) An agreement under subsection (1) takes effect on January 1, 2001.

4. On or before December 31, 2000, the transition board may, on behalf of the city, exercise the power of a city under subsection 86 (1) of the *Municipal Act* to appoint one or more auditors for the city effective January 1, 2001, and may enter into such agreements as the transition board considers advisable for the provision of audit services to the city by the auditor or auditors.

5. (1) The transition board may enter into agreements to amend or terminate agreements for the provision of audit and banking services and other financial services to the old municipalities.

(2) An agreement made under subsection (1) shall provide that it takes effect on a specified date that is not earlier than January 1, 2001.

(3) An agreement under subsection (1) for terminating or amending an agreement for the provision of audit services to an old municipality shall ensure that all obligations of the auditor under the agreement with respect to the 2000 and prior fiscal years of the old municipality are continued.

6. (1) On or before December 31, 2000, the transition board may, on behalf of the city, pass a by-law or resolution adopting policies to govern the purchasing of goods and services by the city and amending or repealing the by-laws or resolutions of old municipalities adopting policies to govern the purchasing of goods and services by the old municipalities.

(2) A by-law or resolution under subsection (1) comes into force on January 1, 2001.

7. (1) An agreement entered into by the transition board under sections 1 to 6 is binding on the city as of January 1, 2001.

(2) A by-law or resolution passed by the transition board under sections 1 to 6 shall be deemed to be a by-law or resolution of the city on January 1, 2001.

8. An old municipality or a local board of an old municipality shall not exercise any of the powers or perform any of the duties of the type described in sections 1 to 6 unless it is done with the approval of the transition board or in accordance with guidelines issued by the transition board.

9. (1) The transition board shall establish the key elements of the Ottawa Public Library Board's organizational structure and hire those employees of executive rank whom the transition board considers necessary to ensure the good management of the library board.

(2) For the purpose of subsection (1), "employees of executive rank" includes employees in a managerial or supervisory position but does not include such employees if their position is subject to a collective agreement.

(3) When the transition board hires a person under subsection (1), the following rules apply:

1. The transition board has the authority to negotiate the terms of the employment contract with the person.

QUESTION RÉFÉRENDAIRE POUR UN CASINO ENVISAGÉ DANS UNE MUNICIPALITÉ ADMISSIBLE

Préambule

Notre municipalité est située dans une zone où la création d'un nouveau casino peut être envisagée. Le gouvernement provincial a déclaré qu'aucun casino ne sera autorisé dans une collectivité qui n'en veut pas.

Pour être considérée comme lieu possible d'un casino, notre municipalité est requise de tenir le présent référendum, qui constitue une étape nécessaire du processus à suivre. Un vote majoritaire en faveur d'un casino ne veut pas nécessairement dire que notre municipalité sera choisie, car la Société des loteries et des jeux de l'Ontario doit également effectuer par la suite une analyse de rentabilisation afin d'évaluer la viabilité d'un casino.

Question : Notre municipalité envisage la création d'un nouveau casino qui sera exploité par la Société des loteries et des jeux de l'Ontario. Êtes-vous d'accord pour qu'un casino soit créé dans notre municipalité?

Réponse : Choisissez «oui» ou «non»

Bilingual Lexicon of Legislative Terms

New Edition

This new edition of the *Bilingual Lexicon of Legislative Terms*, prepared by the Office of Legislative Counsel, is the result of a complete review of the 1992 edition. Every entry in that edition was checked against our statutes database. Hundreds of obsolete entries were deleted and thousands of new entries were added. These changes were based on a scanning of the Revised Statutes of Ontario, 1990 and of annual statutes to the end of 1997. Bilingual regulations were not scanned for the purpose of this edition, with the exception of the Rules of Civil Procedures and a few similar regulations.

We hope that this updated edition of the *Lexicon* will reflect even more accurately the terminology used in Ontario's statutes, and that users will find it as complete, practical and reliable a reference work as the previous editions.

Copies of the Lexicon may be purchased for \$30.47 (\$26.50 plus \$1.85 (7%) GST, plus \$2.12 (8%) PST) in person or by telephone, fax, or mail order through **Publications Ontario** at the address and at the following numbers:

Lexique bilingue de termes législatifs

Nouvelle édition

Cette nouvelle édition du *Lexique bilingue de termes législatifs*, préparée par le Bureau des conseillers législatifs, constitue une refonte complète de l'édition de 1992. Des centaines de termes désuets figurant dans la précédente édition ont été retranchés; en revanche, des milliers de nouveaux termes viennent enrichir l'ouvrage. Le choix des entrées et des contextes se fonde essentiellement sur le dépouillement des Lois refondues de l'Ontario de 1990 et sur celui des lois annuelles jusqu'à la fin de 1997. Les règlements bilingues n'ont pas été dépouillés, à l'exception des Règles de procédure civile et de quelques règlements analogues.

Nous souhaitons que cette édition mise à jour reflète encore plus fidèlement la terminologie utilisée dans les lois de l'Ontario, et nous espérons que ses usagers y trouveront un instrument de travail aussi complet, pratique et maniable que les éditions précédentes.

On peut se procurer des exemplaires du Lexique au prix unitaire de 30,47 \$ (26,50 \$ plus 1,85 \$ (7 %) TPS, plus 2,12 \$ (8 %) TVP) en personne ou par téléphone, télécopie ou commande postale auprès de **Publications Ontario** à l'adresse et aux numéros suivants :

NOTICE

ISSUE:

The authority to operate a chartered trip from a point not on one's operating licence stems from Section 7(5)(b) of Regulation 982 under the *Public Vehicles Act*. The purpose of this Regulation is to provide a relief mechanism in the event that the existing licensed carriers cannot provide sufficient equipment at any point in time.

To date, the Board's interpretation of this Regulation has been that all licensed operators authorized to serve the municipality in question must be contacted each time before undertaking each trip. There must be written evidence of the call(s) and the licensed carrier must be given reasonable notice of the request *i.e.* date and type of equipment required ("All Call Rule")

Based on the above, it is therefore critical that there be a data bank providing the names and addresses of licensed carriers, the contact person(s) and the municipalities from which they are authorized to originate charter trips. This information is not currently available and

the Regulation is therefore difficult to administer by the Board and frustrating to the operators in Ontario.

OBJECTIVE:

The Board will endeavour to develop the data bank in a concise and cost effective manner. The process will be a voluntary one, but it is suggested that all operators participate in this exercise. All licensed carriers originating charters in Ontario in *highway coaches* (Class A,B,C type coaches) will receive this Notice and an index of municipalities in Ontario. Operators are requested to indicate the municipalities that they are authorized to originate charters from and return the completed material to the Board in the pre-addressed return envelope or by facsimile. The Board will not verify the accuracy of the returns and will rely solely on the operator's advice. Please bear in mind that the information provided by the operator does not in any way affect the Board in any hearing that may occur in which the Board may have to decide on the validity of an operating licence.

Please complete the form and mail/fax it to the Board by November 30th, 2000.

Before developing a data bank and Practice and Procedure on this important issue, the Board will hold meetings at selected venues to receive submissions on the Board's proposed policy from operators or other interested persons. Submissions should include, but not be limited to, what constitutes reasonable notice to a licensed operator, the time by which a reply should be expected from the operator, whether all carriers must be contacted especially in large urban centres, what type of evidence of the request should be maintained and any other information that is important and useful to ensure that the system is both fair and equitable.

The meetings will be held on the following dates:

Tuesday, November 21	OTTAWA	9:00 A.M.
	Canadian Human Rights Tribunal 473 Albert Street, 9th floor (Conference Room 9-46)	
Wednesday, November 22	TORONTO	2:00 P.M.
	Ontario Highway Transport Board 151 Bloor St. West, 10th floor	
Thursday, November 23	LONDON	10:30 A.M.
	London City Hall - Meeting Rm.#3 300 Dufferin Avenue	
Tuesday, November 28	SUDBURY	10:00 A.M.
	Sudbury City Hall - Meeting Room C-13B 200 Brady St.	
Wednesday, November 29	THUNDER BAY	10:00 A.M.
	Ministry Of Transportation 615S James St. - Meeting Rm. #2A	

The Board will also receive written submissions mailed to their office. Following receipt of the information and submissions, the Board will make the new Practice and Procedure and the data bank available on a soon to be implemented Board web-site which will also incorporate the Board's forms, enabling legislation, current and new Practices and Procedures. Copies of the "All Call Rule" data will also be available in printed form.

Schedule 5

TEST METHOD FOR THE DETERMINATION OF "LIQUID WASTE" (SLUMP TEST)*

(1) Sampling

Obtain a representative sample of the waste to be tested.

(2) Equipment

- 2.1 Mould—the representative waste sample shall be formed in a mould, in the form of the frustum of a cone with the base 200 mm in diameter, the top 100 mm in diameter, and the height 300 mm. The base and the top shall be open and parallel to each other and at right angles to the axis of the cone. The mould shall be made of a metal that is chemically resistant to the wastes to be tested and that has a thickness that is at least

1.5 mm. It shall be provided with foot pieces and handles as shown in Figure 1.

- 2.2 Tamping Rod—the rod shall be round, straight and steel with a diameter of 16 mm and a length of 600 mm. One end shall be rounded to a hemispherical tip with a diameter of 16 mm.

(3) Procedure

- 3.1 Dampen the mould and place it on a flat, moist, non-absorbent (rigid) surface. Hold the mould firmly in place during filling by standing on the two foot pieces. From the sample of the material obtained, immediately fill the mould in three layers, each approximately one-third the volume of the mould.

Notes: 1) The test must be carried out at a temperature of not less than 10°C.

- 2) One-third of the volume of the slump mould fills it to a depth of 70 mm. Two-thirds of the volume fills it to a depth of 160 mm.

- 3.2 Rod each layer with 25 strokes of the tamping rod. Uniformly distribute the strokes over the cross-section of each layer. For the bottom layer this will necessitate inclining the rod slightly and making approximately half of the strokes near the perimeter, and then progressing with vertical strokes spirally toward the center. Rod layers throughout their depth. For the second layer and the top layer, the strokes must just penetrate into the underlying layers.

- 3.3 When filling and rodding the top layer, heap the material above the mould before rodding is started. If the rodding operation results in subsidence of the material below the top edge of the mould, add additional material to maintain an excess of material above the top of the mould. After the top layer has been rodded, the excess material shall be screeded off to the level of the top of the mould. Remove the spilled material from the base of the mould.

- 3.4 Withdraw the mould immediately from the material by raising it carefully in a vertical direction. The operation of raising the mould shall be performed in approximately 5 seconds by a steady upward lift with no lateral or torsional motion. The entire operation from the start of the filling through removal of the mould shall be carried out without interruption and shall be completed within 2 minutes.

- 3.5 Determine the slump immediately after by measuring the difference between the height of the mould and the average height of the top surface of the material after subsidence.

Notes: 1) Waste samples that break or slump laterally give incorrect results. When this condition occurs, the test shall be repeated with a new sample.

- 2) If two consecutive tests on a sample of material show a falling away or shearing off of a portion of the material from the mass of the specimen, the material probably lacks necessary plasticity and cohesiveness for the slump test to be applicable.

- 3) Duplicate tests on two different portions of the sample should not vary more than 10 mm.

(4) Report

- 4.1 Record the slump in millimeters to the nearest 10 mm of subsidence of the sample during the test.

* The method is based on the Canadian Standards Association test method for determining the slump of concrete (A23.2-5C).

6. (1) Subject to subsection (2), this Regulation comes into force on the day it is filed.

(2) Sections 1, 2, 4 and 5 come into force on March 31, 2001.
